FLAVONOIDS IN HEMP FLOWER OIL

FLAVONOIDS ARE ALMOST ALWAYS MENTIONED IN THE SAME BREATH AS TERPENES, BUT THERE'S A LOT MORE TO FLAVONOIDS THAN WHAT MEETS OUR NOSE AND TASTE BUDS. IN FACT, FLAVONOIDS ARE AMONG THE MOST UNDERSTUDIED COMPOUNDS FOUND WITHIN THE PLANT.

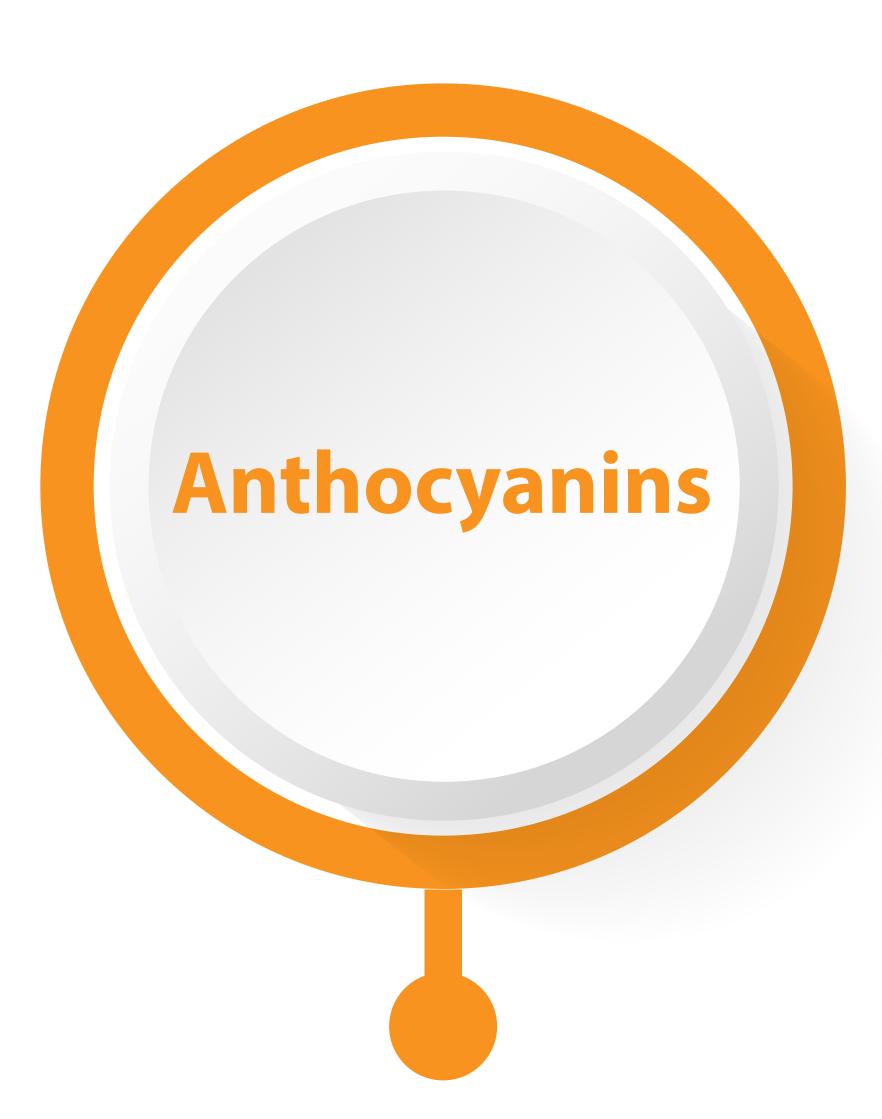

yellow

Properties

anticancer anti-inflammatory cardiovascular

immunomodulatory

dark red

Properties

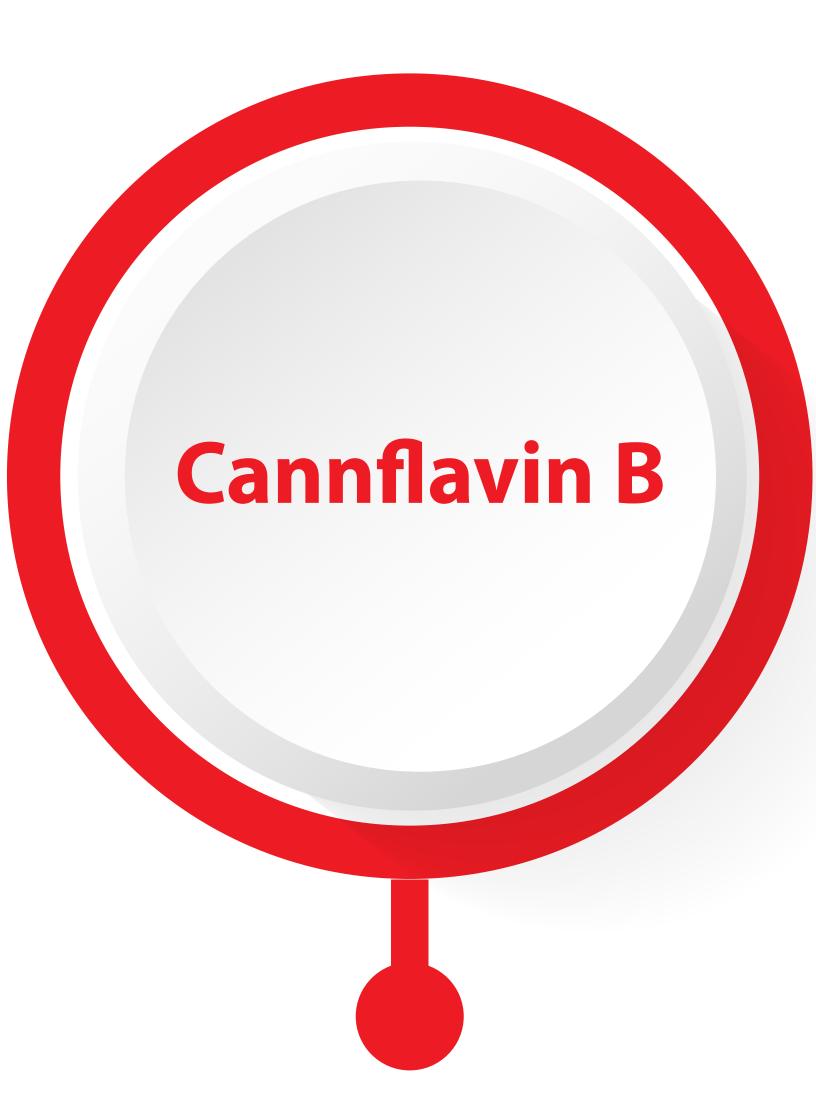

antibacterial antioxidant anti-aging

white

Properties

anti-aggregative anti-flammatory neuroprotective

white

Properties

anticancer antioxidant pain killing
